You light up another cigarette
and I pour the wine
It's four o'clock in the morning
and it's starting to get light
now I'm right where I want to be
losing track of time
but I wish that it was still last night

You look like you're in another world
but I can read your mind
How can you be so far away
lying by my side
When I go away I'll miss you
and I will be thinking of you
every night and day just.....

Promise me you'll wait for me
'cause I'll be saving all my love for you
and I will be home soon
Promis me you'll wait for me
I need to know you feel the same way too
and I'll be home, I'll be home soon

When I go away I'll miss you
and I will be thinking of you
every night and day just.....

Promise me you'll wait for me
'cause I'll be saving all my love for you
and I will be home soon
Promise me you'll wait for
I need to know you feel the same way too
and I'll be home, I'll be home soon
