Where the Dots (...) are i couldnt make out what was being said.

Lets go  
Lock it down  
Rock

Dressed head to toe  
Black on black  
Three bodies in the  
back of my Cadillac  
Which means its going to  
be a good story to tell  
Cash Â...on the highway to hell  
give you what you wish for when you dream

I make the good girls bad and the bad girls worse  
nice guys are last cuz IÂ'm always first  
IÂ'm a freak show sucker for how it feels  
to the girl next door and to hell on heels  
IÂ'm red white and blue tattooed  
and just donÂ't care  
IÂ'm your all American nightmare

If you wanna run away I can give you a ride  
IÂ'm a one way ticket to the darker side  
come with me baby lets lose some sleep  
donÂ't mistake me for a dream

I make the good girls bad and the bad girls worse  
nice guys are last cuz IÂ'm always first  
IÂ'm a freak show sucker for how it feels  
to the girl next door and to hell on heels  
IÂ'm red white and blue tattooed  
and just donÂ't care  
IÂ'm your all American nightmare

They try to lock me up  
and throw away the key  
but theyÂ'll never gonna hold down  
a freak like me im an outcast  
opencast livin  
for free I got everything you want

but nothing Â... Need (stick to me baby)

Oh

I make the good girls bad  
and the bad girls worse  
nice guys are last cuz IÂ'm always first  
IÂ'm a freak show sucker for how it feels  
to the girl next door and to hell on heels  
IÂ'm red white and blue tattooed  
and just donÂ't care  
IÂ'm your all American nightmare

IÂ'm your all American nightmare  
IÂ'm your all American nightmare
