[Bon Jovi cover]

Sitting here wasted and wounded  
At this old piano  
Trying hard to capture  
The moment this morning I don't know  
'Cause a bottle of vodka  
Still lodged in my head  
And some blonde gave me nightmares  
Think that she's still in my bed  
As I dream about movies  
They won't make of me when I'm dead

With an ironclad fist I wake up  
And French kiss the morning  
While some marching band keeps  
It's own beat in my head  
While we're talking  
About all of the things that I long to believe  
About love, the truth  
What you mean to me  
And the truth is baby you're all that I need

I wanna lay you down in a bed of roses  
For tonight I sleep on a bed of nails  
Oh, I wanna be just as close as the Holy Ghost is  
And lay you down on bed of roses

Well I'm so far away  
Each step that I take's on my way home  
A king's ransom in dimes i'd give each night  
To see through this payphone  
Still I run out of time  
Or it's hard to get through  
Till the bird on the wire flies me back to you  
I just close my eyes and whisper,  
Baby blind love is true

I wanna lay you down in a bed of roses  
For tonight I sleep on a bed of nails  
Oh, I wanna be just as close as the Holy Ghost is  
And lay you down on a bed of roses

Well this hotel bar's hangover, whiskey's gone dry  
The barkeeper's wig's crooked and  
She's giving me the eye  
Well I might have said yeah  
But I's laugh so hard I think I'd die  
Ooh yeah

Now as you close your eyes  
Know I'll be thinking about you  
While my mistress she calls me  
To stand in her spotlight again  
Tonight I won't be alone  
But you know that don't  
Mean I'm not lonely I've got nothing to prove  
For it's you that I'd die to defend

I wanna lay you down in a bed of roses  
For tonight I sleep on a bed of nails  
Oh, I wanna be just as close as the Holy Ghost is  
And lay you down

I wanna lay you down in a bed of roses  
For tonight I sleep on a bed of nails  
I wanna be just as close as the Holy Ghost is  
And lay you down on bed of roses
