

# Hinder "How Long"

Visit "[How Long](#)" on MotoLyrics.com

Why'd you go and break what's already broken  
I try to take a breath but I'm already choking  
How long till this goes away  
I try to remember to forget you  
But I break down every time I do  
It's left me less than zero  
Beat down and bruised  
I can't see him with you  
Why'd you go and break what's already broken  
I try to take a breath but I'm already choking  
Cause everywhere I look I can see how you hold him  
How long till this goes away

I can't seem to get my heart over you  
Cause you creep into everything I do  
And now I'm dying to know  
How he touches you  
I can't see him with you  
Why'd you go and break what's already broken  
I try to take a breath but I'm already choking  
Cause everywhere I look I can see how you hold him  
How long till this goes away  
How long till this goes away  
She said she wants to be friends  
I took a big step back  
She said  
She said  
She said she's sorry  
With one finger  
I said fuck that

I can tell you're lying when your lips move  
Cause of one lie it's not me it's you  
It's left me less than zero  
Beat down and bruised  
I can't see him with you  
Why'd you go and break what's already broken  
I try to take a breath but I'm already choking  
Cause everywhere I look I can see how you hold him  
How long till this goes away  
Why'd you go and break what's already broken  
I try to take a breath but I'm already choking

Cause everywhere I look I can see how you hold him  
How long till this goes away  
How long till this goes away

She said she wants to be friends  
I took a big step back  
She said  
She said  
She said she's sorry  
With one finger  
With one finger  
I said fuck that
