You said I'm always saying sorry for the same old things

I'm sorry for the drugs and how much I drank

You said I say it so much it doesn't mean anything

I'm sorry, my love, but I had to leave

I hope most of you will never know what it's like to let a love go

Leaving everything at home, everything you've ever known

I can't fix this from a phone

I'm sorry you feel so alone

It's like I told you, ?You're better off without me, I'm sick of saying sorry.?

So far from home

You keep calling and complaining that I just don't care
Would you say that if I was there?

It's that picture you keep hanging that's causing your tears

I could set you straight if you were here

I hope most of you will never know what it's like to let a love go

Leaving everything at home, everything you've ever known

I can't fix this from a phone

I'm sorry you feel so alone

It's like I told you, ?You're better off without me, I'm sick of saying sorry.?

I don't want to string you along

And that's why I'm letting you go

It's like I told you, ?You're better off without me, I'm sick of saying sorry.?

So far from home

And you don't know how many times I talked to you

And I can't count how many foughs of you I fought with you

I don't want to string you along
That's why I'm letting you go
It's like I told you, ?You're better off without me, I'm
sick of saying sorry.?

I can't fix this from a phone
I'm sorry you feel so alone
It's like I told you, ?You're better off without me, I'm
sick of saying sorry.?

I don't want to string you along
That's why I'm letting you go
It's like I told you, ?You're better off without me, I'm
sick of saying sorry.?
