I love the taste of her kisses
And ill do anything she wishes
She's opened so many doors

She's showed me what this life's is for
She's she unpredictable
I couldn't dream of anything more because

She makes me feel so alive
She brings out the me inside
She's so perfect in her own way
And i hope she will be all mine
Someday
Someday

She has control of my heart
I pray to god our souls will never part
She makes me so damn happy
And i love the way she looks at me because

She makes me feel so alive
She brings out the me inside
She's so special in her way
And i hope she will be all mine
Someday
Someday

Someday, someday, might be so far away
Someday, someday, my hand will never shake
Because

You make me feel so alive
You bring out the me inside
You're so precious in your own way
And i know you will be all mine
Someday
Someday
Yeah yeah
