Move it
Here We go
Check it out

Keep your ass open
And you better know this
Our wheels are rolling
At you like a freight train

Now I've been saying
That we ain't playing
And you won't make it
Make it through the pain pain

And I fight for Sooner pride. Yeah!
Can you hear the sound, we're coming out
Coming to our town, gonna chew you up and spit you
out
Better be afraid, better run away
Put you in your place, let's see how much you can
take
We're the sooners, we don't back down
Yeah! Alright! Here we go 1,2

So how you're feeling
Tell me how you feeling
Now that you need me, begging me for medicine
Don't try to run, don't try to hide
Cause you and I know that you can't hurt me

And I fight for Sooner pride. Yeah!
Can you hear the sound, we're coming out
Coming to our town, gonna chew you up and spit you
out
Better be afraid, better run away
Put you in your place, let's see how much you can
take
We're the sooners, we don't back down
Yeah! Alright! Here we go 1,2

And I fight for Sooner pride. Yeah!
Can you hear the sound, we're coming out

Coming to our town, gonna chew you up and spit you
out
Better be afraid, better run away
Put you in your place, letâ€™s see how much you can
take
Weâ€™re the sooners, we donâ€™t back down

(Can you hear the sound? Weâ€™re coming out.
Donâ€™t try to run)
Sooners donâ€™t back down
(Can you hear the sound? Weâ€™re coming out. No we
ainâ€™t playing)
And no we wonâ€™t back down
(Better be afraid. Better run away. Donâ€™t try to hide)
Weâ€™re the Sooners, we donâ€™t back down
