When you dont fit in
Do not give in to them
Just be real to you
And you will surely get through
Without trying to adjust
To what other people want
Just try not to change
Well dont, always stay the same you

Well be yourself
Well no one else
Dont stray away
Dont fall away
From you
From you

When you have fallen down
Do not get upside down
Just try get up again
Who cares if theyre not your friend?
Without trying to adjust
To what other people want
Just try not to change
Well dont, always stay the same

Well be yourself
Well no one else
Dont stray away
Dont fall away
From you
From you

Well be yourself
Well no one else
Dont stray away
Stray away
Stray away
Dont fall away
Fall away
Fall away
From you
From you
