You're a wannabe stripper with a microphone  
And I'd respect you more if you just took off your  
clothes  
You're a waste of three minutes and a dance routine  
And your daddy had to buy the record company

Guess I'll be the bad guy  
So get mad at me  
I'm only sayin' what everybody thinks

[Chorus]  
You ain't no Madonna  
No you ain't no pop queen  
You're just a prima donna suckin' off the paparazzi  
Gotta shake that ass 'cause we know you can't sing  
You think that you're the real deal  
You're nothin' but a strip tease

I can only listen to you in a magazine  
You're the reason there ain't music on MTV

And I got a stack of ones, but it ain't for your CD  
I'm only sayin' what everybody thinks

[Chorus]

So take it off nice and slow  
Or take it off my radio

You ain't no Madonna  
No you ain't no pop queen  
You're just a prima donna fuckin' all the paparazzi  
Gotta shake that ass 'cause we know you can't sing  
You think that you're the real deal  
You're nothin' but a strip tease

[Chorus]
