RUPERT HINE - KWOK'S QUEASE

-----

From the A&M "Waving Not Drowning" CD

Won't you hold the menu still - oh please

You see all of those oriental recipes

Have made a shivering wreck out of me

Chinese lunch and Japanese teas

I've tried all kinds of remedies

But it's Kwok's Quease

Mono-sodium glutimate knees

Kwok's Quease

Mono-sodium glutimate knees

Chinese take-away, Japanese meals

Head over heels in the city of meals
