Medicine Munday

Life is a two fisted

cannibal earing his eyes

Tarniquette Sunday

Licking the fat from his

Hands you should see his

surprise

Father I've died

Where is the answer

Give me a question I'll

puzzle it out in my mind

Now as I lead you

Over the world in a plane

That is too slow to fly

That's a surprise

Mrtinique quickly

Fetch me the water the

City has burnt to the

ground

Turns over backwards

Slightly forgetting

His manners

The cannibal frowns

Eating

Is

Fun
