"Where In My Life"

Visit "[Where In My Life](#)" on MotoLyrics.com

Where in my life can I feel
The space to move around
Another mile in time.
A circle where I can truly say
This is, I surely am,
This is where I am.
Moon yellow hair
Shy Autumn days
Night lady falling down
Another mile we say.
And if you're sure we're all smiled
Don't stay,
Take another lemonade from the street cafe.

-

Lyric: David MacIver

Music: Rupert Hine

ARP Synthesiser: Rupert Hine
