Verse: You look so fine in that little short red dress,
your good intentions may get you in a mess there are
jokers to the left of me, losers to the right, the next guy
to come over here may just start a fight looks like I'll be
putting out a forest fire

Chorus: I'm the big man on campus I am your
bodyguard, I'm now runnin' the show like the Boss Hog,
and your big man on campus is now taking charge I am
to your rescue as your Top Dog

Verse: You could wear my jacket, you could catch a
death of cold

This clientele around here makes me feel a little old
There's whistling from the corner and there's howlin' all
around

There will be some moaning if I have to take some
down

I better go and put my red cape on. Repeat Chorus

Bridge: What's gonna happen when you hit the dance
floor? I'll have to call the Army or the National Guard.

The Navy and Marines may have to fight here too
before that I may have to go and clear this room. I'm
your big man on campus

Solo/Verse 2: I've got you covered if you feel the need
to, get a little crazy I will understand you'll cause a riot
with the moves you make, and things could really get
too out of hand

Chorus Twice: I'm your big man on campus I'm your
bodyguard, I'm now runnin' the show like the Boss Hog
and the big man on campus is now taking charge I am
to your rescue as your Top Dog
