You're too young to hold a
Conversation, lack of
Education causes
You frustration,
Let it out

All the bad kids, in the gang war,
It's a street fight, what you waiting for?
All the bad kids, in the gang war,
It's a street fight, what you waiting for?

Let it out
Let it out
Let it out

When you're old,
Will you know?
You know you've got a blackened soul
If you live, to regret,
You're never gunna live with yourself,
If you die, will you know?
You know you only killed yourself!

You don't even have a,
Life vocation, lack of
Education causes
Aggravation,
Let it out

All the bad kids, in the gang war,
It's a street fight, what you waiting for?
All the bad kids, in the gang war,
It's a street fight, what you waiting for?

All the bad kids, in the gang war,
It's a street fight, what you waiting for?
All the bad kids, in the gang war,
It's a street fight, what you waiting for?

Let it out
Let it out
Let it out
