Hey, hey, hey, hey, hey, hey, hey, hey,
Hey, hey, hey, hey, hey, hey, hey, hey

I know you're really busy but I really love the show
I'd really like to tell you but you wouldn't want to know,
oh
I am in love with you, I am in love with you

I wrote you a song so you can play it on the radio
Listened all day but, you only play Status Quo
I'm still in love with you, I'm still in love with you

No-one knows but I, Got a girl on the radio
Makes my heart go oh, oh oh oh oh oh oh oh
No-one knows but I, Fell In love On The stereo
Oh whay oh, whay oh
I'll make you understand

Hey, hey, hey, hey, hey, hey, hey, hey,
Hey, hey, hey, hey, hey, hey, hey, hey

I phoned up your hotline and you put me on hold
Came to the studio, but they said no, oh
I'm still in love with you, I'm still in love with you

My friend sent an e-mail and you read it on the show
He told me all about it, And He's never going to let it go
I'm still in love with you, I'm still in love with you

Wrote you this song, so you could play it on the radio
Wrote you this song, so you could play it on the radio
Wrote you this song, so you could play it on the radio
Wrote you this song, so you could play it on the radio

No-one knows but I, Got a girl on the radio
Makes my heart go oh, oh oh oh oh oh oh oh
No-one knows but I, Fell In love On The stereo
Oh whay oh, whay oh
I'll make you understand

No-one knows but I, Got a girl on the radio
Makes my heart go oh, oh oh oh oh oh oh oh

No-one knows but I, Fell In love On The stereo
Oh whay oh, whay oh
I'll make you understand
