Put your best dress on.  
Turn on your favourite song.  
You know it won't be long.  
Until you shake it girl

Wind your stereo  
And let the music flow  
Until it's time to go  
And burn your Disco down  
Katie, you know, you got to go, oh oh  
Take off your shoes, get down on the dance floor  
Katie, you know, you rock the show, oh oh  
Katie, you know, you got to go

He stands alone, as she dances with an old friend  
Arms around, like he's more than just an old friend  
Get the camera, because he wants to take your picture  
And he really wants to get well

Katie, you know, you got to go, oh oh  
Take off your shoes, get down on the dance floor  
Katie, you know, you rock the show, oh oh  
Katie, you know, you got to go

Oh oh, Oh oh, Oh oh, Oh oh,  
Oh oh, Oh oh, Oh oh, Oh oh,

Be there first one, on the dance floor  
Tell the DJ to turn that music up  
Be the last one, at the front door  
Never leave until the music stops

Katie, you know, you got to go, oh oh  
Take off your shoes, get down on the dance floor  
Katie, you know, you rock the show, oh oh  
Katie, you know, you got to go

Turn it up  
Turn it up  
Turn it up  
Turn it off
