We can make it
(We can make it)
Yeah we can make it
Through fog and rain
We can make it
(Yeah we can make it)
In the Adelaide
Australia
Whoa
We try to belong
We travel alone
(You know how we do)
We travel alone
We can make it
(We can make it)
Yeah we can make it
Through the Melbourne heat
We can make it
Yeah we can make it
(Yeah we can make it)
Down a gentle stream
Australia

Whoa
From Adelaide we'll)
Whoa
We travel on still
(Yeah we representing)
We try to belong
(The gold coast, Brisbane, where you at?)
We try to belong
(We'll make it to Perth one day)
We try to belong
(To all the girls in Sydney)
Australia
Whoa
Adelaide we'll travel on
(Australia)
