"Better Watch Your Back"

the things you claim, I can't except the blame
better watch your back I'm gonna win this game
you try to phase me, you can't phase me
I got you thinking that I feel no pain
but I feel it...
are you insane, enjoy inflicting pain
better watch your back I'm gonna ruin your name
try to control me, but I'm too strong you see
I got you thinking that I feel no pain
but I feel it...

you try to bring me down
you can't bring me down
but I can bring you down
