"Eradicate Mankind"

Deliberate, systematic destruction.
Our history from the past,
It proves of man's demise.
Genocide, murder and ethnic cleansing.
Prejudice is a disease.
Eradicate Mankind.
Epidemic, deadly and contagious.
Hatred burns from inside,
And it preys upon the weak.
Intolerance, rise above alienation.
Venomous eyes of hate,
Only see what they want to see.

ENRAGED!

Die before I will bow down to my knees.

ATROCITIES!

From arrogance and strife...

MANDATORY LIBERATION!
