Visit "[Raging Violence](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Children murdered to death  
Death toll twenty dead  
Killer finally caught  
Set free a technicality

Parents of the victims  
Hunting the killer down  
Track him to his place  
Fire burned it down

Raging violence  
Killer from Hell  
Feeling no Pain

Raging Violence

Dream being chases  
Terror in your face  
Claws cutting you  
Scream as you die

Nightmare frightening to death  
Scared stiff cold sweat  
Is it a dream or is it real  
Evil man haunting you
