I think sometimes  
Sometimes I think  
If only could we

And reasons exist  
For reasons alone  
Where the wild things were once

If what you give  
Is what you have  
Then what you have to give  
Is everything of what we share  
Of all we need to live

Within one way  
This way is mine  
We spent a day beside  
Came up out her eyes  
It's turning inside  
Coughed up a swallow

If what you share

Is what you have  
Then what you have to share  
Is anything as real as dreams  
And still afraid to dare

A given is taken  
Stay hidden inside  
If what you give  
Is what you have  
Then what you have to give  
Is everything of what we share  
Of all we need to live

If what you share  
Is what you have  
Then what you have to share  
Is anything as real as dreams  
And still afraid to dare
