Kiss the girls and make them cry
Kiss the girls and make them cry

You said, "I want you"
You said, "I need you"
You said, "I love you"
Well I don't trust you
And I don't care

Cause I don't want you
And I don't need you
And I don't love you
Cause I don't trust you
And I don't care

When you look at me
Do you see a little girl with a pink dress on?
Down on her knees
When you look at me
Does it make you want to go out back and paint the
trees?
When you look at me

The only way to get inside of you
Was to let you get inside of me (2x)

Does it make you wanna run and hide?
Does it wake the child deep inside?

Does it bring back painful memories?
Does it make you wanna paint the trees?

And if I came to you for comfort
Would you go and call the cops on me?
And if I came to you for kindness and caring
Would you go and call the cops on me?
Would you dare to call the cops?

Why don't you just use me, abuse me
And call the cops on me
Why don't you just trick me, then dick me
And call the cops on me

Why don't you just rape me, then hate me
And call the cops on me
Why don't you just hurt me, desert me
And call the cops!

And the Pee Girl says:
"Someday you will ache like I ache"
