You and me
We're gonna drop the button
There ain't no time
For energy

Wasteful years
I've lost my colour
I'm going blind
But then you saw you
Yeah

Hey hey

You and me
We're gonna drop the button
There ain't no time
For energy
(I'll) Lose my shape
Once I've dropped this button
I'm 23
But I feel 14
Yeah

Hey hey

Hey hey

Hey hey
Hey hey
Hey hey
Hey hey

You and me
You and me
You and me
You and me
