Yeah  
Music is the pleasure  
Oh yeah  
Ooh ooh ooh

When I first meet you  
You laughed out loud  
Because I was wearing my shorts in spring  
But now this clown  
Is going straight  
To win your loveless nature

The voice on the stereo is whistlin' in my ear  
And all it's saying to me  
Is that  
The voice on the stereo is whistlin' in my ear  
And all it's saying to me  
Is that  
Music  
Music is the pleasure  
Oh yeah  
Ooh ooh ooh  
Whether  
Whether the weather  
Oh yeah  
Ooh ooh ooh

So a few weeks passed  
And we met again  
And you said I was a handsome lad  
But look at you  
You're a superstar  
So you wanna get a bit to eat?  
The voice on the stereo is whistlin' in my ear  
And all it's saying to me  
Is that  
Music  
Music is the pleasure  
Oh yeah  
Ooh ooh ooh  
Whether  
Whether the weather

Oh yeah  
Ooh ooh ooh  
Music  
Music is the pleasure  
Oh yeah  
Ooh ooh ooh  
Whether  
Whether the weather  
Oh yeah  
Ooh ooh ooh

Aah...  
And all it's saying to me  
Is that...

BOOM!

Music  
Music is the pleasure  
Oh yeah  
Ooh ooh ooh  
Whether  
Whether the weather  
Oh yeah  
Ooh ooh ooh  
Music is the pleasure  
Oh yeah  
Ooh ooh ooh  
Whether the weather  
Oh yeah  
Ooh ooh ooh...
