On a sunny day
I can see forever
On a sunny day
I used to dream for miles

Upon this hill, where we met
Under blue skies
But she said goodbye, left me behind
And now here I am

I should've won a Purple Heart
I would've got it overseas
I asked her would she be my bride
In my broken Japanese

But when I looked into her eyes
I knew that it could never be
Well, she said goodbye, left me behind
And now here I am

I should've seen it from the start

Before I went on bended knee
Her tattoo of a headless snake
Is that what she's supposed to be?

But if I had another chance
I wouldn't act so foolishly
Well, she said goodbye, left me behind
And now here I am

On a sunny day
I can see forever
On a sunny day
I can dream for miles

Upon this hill, where we met
Under blue skies
But she said goodbye, left me behind
And now here I am

On a sunny day

I can see forever
On a sunny day
I used to dream for miles

Upon this hill, where we met
Under blue skies
But she said goodbye, left me behind
And now here I am
