Pass the Dutchie Lyrics
Buck-O-Nine

This generation
Rules the nation
With vision

It was a cool and lovely breezy afternoon
How does it feel when you've got no food?
You could feel it cause it was the month of June
How does it feel when you've got no food?
So I left my gate and went out for a walk
How does it feel when you've got no food?
As I pass the dreadlocks camp I heard them say
How does it feel when you've got no food?

I say pass the dutchie on the left hand side
Pass the dutchie on the left hand side
It a gonna burn, give me music make me jump and
prance
It a go done, give me the music make me rock in the
dance

So I stopped to find out what was going on
How does it feel when you've got no food?
'Cause the spirit of Jah, you know he leads you on
How does it feel when you've got no food?
There was a ring of dreads and a session was there in
swing
How does it feel when you've got no food?
You could feel the chill as I seen and heard them say
How does it feel when you've got no food?

I say pass the dutchie on the left hand side
Pass the dutchie on the left hand side
It a gonna burn, give me music make me jump and
prance
It a go done, give me the music make me rock in the
dance

'Cause me say listen to the drummer, me say listen to

the bass
Give me little music make me wind up me waist
Me say listen to the drummer, me say listen to the bass
Give me little music make me wind up me waist, I say

Pass the Dutchie on the left hand side
Pass the Dutchie on the left hand side
It a gonna burn, give me music make me jump and
prance
It a go done, give me the music make me rock in the
dance

It was a cool and lovely breezy afternoon
How does it feel when you've got no food?
You could feel it cause it was the month of June
How does it feel when you've got no food?
So I left my gate and went out for a walk
How does it feel when you've got no food?
As I pass the dreadlocks camp I heard them say
How does it feel when you've got no food?

pass the dutchie on the left hand side
Pass the dutchie on the left hand side
It a gonna burn, give me music make me jump and
prance
It a go done, give me the music make me rock in the
dance

on the left hand side 4x

pass the dutchie on the left hand side
Pass the dutchie on the left hand side
It a gonna burn, give me music make me jump and
prance
It a go done, give me the music make me rock in the
dance
