Don't take another step until you decide
What it is that you want and, where you're sleeping
tonight
It's no skin off my back or bones,
If you wanna go home then just say so...

Just say so...

Let go, of all that we've had
You know we've been down this road before
Pack your bags, dry your eyes
It's a long walk from my house to 309

Cry all you like kid,
It's no secret you faked it
And it's, no skin off my back or bones,
If you wanna go home then just say so...

Just say so...

Let go, of all that we've had
You know we've been down this road before
Pack your bags, dry your eyes
It's a long walk from my house to 309

By the way that your eyes
Travel to the floor when you tell a lie
Like the way that your eyes
Travel to the floor when you tell a lie
By the way that your eyes (your eyes, disguise, the way
you sever ties)
Travel to the floor when you tell a lie
Like the way that your eyes (your eyes, disguise, the
way you sever ties)
Travel to the floor when you tell a lie...
Like right now

Yeah!

Let go, of all that we've had
You know we've been down this road before

Pack your bags, dry your eyes
It's a long walk from my house to 309 (x5)
