Tell me do you think it'd be alright  
If I could Just crash here tonight  
You can see I'm in no shape for drivin'  
And any way I've got no place to go

And you know it might not be that bad  
You were the best I ever had  
If I hadn't blown the whole thing years ago  
I might not be alone

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found to take  
it's place

Hey jealousy

Tell me do you think it'd be alright  
If I could Just crash here tonight  
You can see I'm in no shape for drivin'  
And any way I've got no place to go

And you know it might not be that bad  
You were the best I ever had  
If I hadn't blown the whole thing years ago  
I might not be alone

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found to take  
it's place

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found to take  
it's place

Tomorrow we can drive around this town  
And let the cops chase us around  
The past is gone but something might be found to take  
it's place

Hey Jealousy

She took my heart

There's only one thing I couldn't start
