I'm in trouble, I'm an addict
I'm addicted to this girl
She's got my heart tied in a knot
And my stomach in a whirl

But even worse I can't stop calling her
She's all I want and more
I mean damn, what's not to adore?

I've been playing too much keys
I've been listening to Jess
I've called so many times
I swear she's going mad

And that cellular
Will be the death of us, I swear
I swear

And oh, oh oh oh ohh, oh oh ohh
Ooh, ooh, ooh ooh

I'm running my mouth just like I got her
But I surely don't

Because she's so, oh, oh, oh, oh, oh, ohh
Rock and roll and outta my league
Is she out of my league?
Let's hope not

I'm in trouble, I'm so cliché
See, that word just wears me out
Makes me feel just like another boy
To laugh and joke about

But even worse I can't stop calling her
I love to hear that voice
And honestly, I'm left with no choice

I've been playing too much keys
I've been listening to Jess
I've called so many times
I swear she's going mad

And that cellular
Will be the death of us, I swear
I swear

And oh, oh oh oh ohh, oh oh
Ooh, ooh, ooh ooh

I'm running my mouth just like I got her
But I surely don't

Because she's so, oh, oh, oh, oh, oh, ohh
Rock and roll and outta my league
Is she out of my league?
Let's hope not
