Yeah, yeah
Yeah, yeah, yeah

Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it

Now, one two, tell me what you got
Let me slip my quarters inside your slot to hit the
jackpot
Rev me up, rev me up my, little buttercup
We can tug sheets snuggle up and get stuck

Believe it or not, here comes the brother with glow
A strugglin', bubblin' overweight lover hurt prone
So what's it gonna be me or the TV
Now let me take time to set your mind and your body
free

Now, so why don't you just stretch, stretch for a sec
Played rather [Incomprehensible] so I could cop a quick
rec
Shake me, shake me, baby, baby, bake me
No need to fake here I am, c'mon and take me

Wind your body, baby move your body
I see you slip sliding c'mon now do it hottie
I'm not quite sure as to what is going down
But I'm feeling Hunky Dory 'bout this thing that I found

Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it

Now, I dig the way you wiggle
You don't jiggle, once you jiggle
So hand over your love
'Cause it's heavier, than it'll

Move her like a mover

She wanted to groove so I grooved her
Then she wanted to learn
So we did school and I schooled her

Now, Mary had a little lamb
But not like this
We can waltz and turn
Rumble tumble and twist

Then you think you gonna give in
Fantasies relivin'
So lay down and relax
Yeah baby, that's it

Now, lover my lady
Lady love of my baby girl
Spread your wings
So we can fly around the world

Harmony, charm of me
Your fingertips are callin' me
When you drop me kisses
You're so cute you drop the bomb on me

Now, stretch it, stretch it
Flex it, flex it
Gimme the permission
Okey, dokey, I'll bless ya

Blessin' like Buddha
Buddha as the bless
You can lay down on the lover
Put your head on my chest

Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it

Now, uh, keep it funky, yeah
Keep it smooth
(Like this)
Now, uh, here we go

Now, what can we do
What are we gonna do
Roses are red
And violets are blue

Love is good and plenty
If you get plenty good lovin'

Kiss you where youÃ¢â€Œ™ re hot
To what I got to keep you bubblin'

Now, do me right, do me right
My lonesome dove
Tell me one more time
What is this thing called love?

I'm not quite sure
As to what is going down
But I'm feelin' honky dory
About this thing that I found

Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it

Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it

What are we gonna do with this love
Oh, sweet love, yeah
Oh, love, cÃ¢â€Œ™ mon
Oh yeah, uh, shake it shake it

Now, oh yeah, uh
cÃ¢â€Œ™ mon do the right thing, baby
(Shake it, shake it)

Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it

Now, all up in money
My furnish was decades
You hear what IÃ¢â€Œ™ m sayin'
Oakland, Bronx, Queens, Manhattan
The whole New York City
(What are we, what are we gonna do)

I said I love you to death
And you donÃ¢â€Œ™ t stop, and you donÃ¢â€Œ™ t quit
You got keep it on to the dip dip, do it like this
And you donÃ¢â€Œ™ t stop, and you donÃ¢â€Œ™ t quit
(What are we, what are we gonna do)
You got keep it on and on and on and on

Now, c'mon, now that we found love
What are we gonna do with it
