Swirling takes up all my time  
Makes me know that I'm above you  
Swirling curling up in smoke  
It started as a joke but...love you  
Moss suspended on a grave-and growing in a cave  
Where I can carve your name

CHORUS

Love you  
Swirling occupies my life  
And if I had a wife she'd be you

Swirling takes up all my time  
And if that's such a crime why love you?  
Moss suspended on a stone-and down the telephone-  
To where I call your name

CHORUS
