Babysitting sucks but whatever they got junk food  
kung fu, egg fu, Dig Dug, a dog too  
And a hot Jew, Mr. Weintraub, I mean he's old but not  
dined out  
If I'm bad I'll turn around in the corner for Time Out  
Aight Josh what you wanna do? You wanna watch  
cartoons?  
HBO got Platoon, hey get back in the room!  
I assume your folks are gonna be out late, go make me  
Kool Aid  
I'm a sit on the couch and masturbate then call my  
boyfriend Gabe and see if he ate  
Spit out my Bubbalicious and get to one of them big  
fridges that could fit 10 midgets  
Damn they're rich, hey she left me fifty dishes-bitch!  
Let's try on ya mom's minks think she'll miss these  
Chanel links?  
In high heels you look like Jar Jar Binks- go play under  
the sink  
(I want my mommy and daddy!) I want your daddy as  
well  
But if you tell, you'll die of sickle cell and  
God told me you're goin straight to hell  
Well if you don't like it I can leave and then you'll be  
alone  
believe me that's what the creepy monsters want  
Plus I'll be taking your TV  
Put on your jammers and don't wet the bed I got a  
camera  
I'll take a picture and show that little girl you like Sarah  
Oh and one more thing- there's been several mass  
murderers spotted in the area  
I'm a bad babysitter, got my boyfriend in your shower,  
Woo! I'm makin 6 bucks an hour  
Let's make Fluffernutters don't fuckin utter another  
peep  
I'll take the cookie cutter make star cookies outta ya  
skin while you sleep  
Keep still, I gotta check the bathroom cabinet hey what  
are these pills?  
I'll take the Valium Josh you take a bag and the

Tagament

Stop throwin up I'm not paid enough you clean up the rug

Is that Fluff? I told you 6 boxes of unmade Jell-O was too much

All right kid you gotta go to bed, I know its only 6 but my boy just came over and he wants me to give him head

Sit his bare ass on the couch where you watch Small Wonder

N ext time you see Vicky the spot'll be sticky

cuz I sucked his dicky and used your mom's cucumber

Don't worry I'll put it back in the Frigidaire

Scared? You can have it for supper nice and crisp in the Tupperware

No bedtime story, Gabe get off you're so horny!

Josh get in bed and Freddie Krueger might let you see your mom in the mornin

No porn and shut the shade Gabe-

One day you'll know how nice it is to get laid while you gettin paid
