A thousand years ago,  
There was nothing but sadness and sorrow,  
So a small child was send out to find the Book of Love.

Oh uh oh, she is searching,  
Oh uh oh, to find the answer,  
Oh uh oh, she is searching,  
Oh uh oh, for the Book of Love.

Di da di da ih yeah, listen to the story,  
Di da di da, of the Book of Love.  
Di da di da ih yeah, listen to the story,  
Di da di da.

Far away, in a land full of danger,  
She was searching for the book of love,  
There was no one to help but a stranger,  
He was searching for the Book of Love.

Tell me stranger where to go,  
I am looking for the Book of Love.  
Book of Love.  
There's something I need to know,  
So I'm looking for the book of love.  
Book of Love.

Di da di da ih yeah, listen to the story,  
Di da di da, of the Book of Love.  
Di da di da ih yeah, listen to the story,  
Di da di da, of the book of Love.

Oh uh oh, she is searching,  
Oh uh oh, to find the answer,  
Oh uh oh, she is searching,  
Oh uh oh, for the Book of Love.

Full of hope, they went on for the mountain high.  
They were searching for the Book of Love.  
Got a blow of the wind and a magic spell.  
And the mountain rose from the ground below.

They have come to the mountain high,

And they found the Book of Love.  
Book of Love.  
Magic sprang from all their love,  
They were happy for ever more, yeah.  
Book of love.

Di da di da ih yeah, listen to the story,  
Di da di da, of the Book of Love.  
Di da di da ih yeah, listen to the story,  
Di da di da, of the book of Love.

Oh uh oh, she is searching,  
Oh uh oh, to find the answer,  
Oh uh oh, she is searching,  
Oh uh oh, for the Book of Love.

They found the answer in the Book of Love,  
Thou shall love thy through companion,  
And from these words love was spread,  
And they lived happily ever after.

Book of love.

Di da di da ih yeah, listen to the story,  
Di da di da, of the Book of Love.  
Di da di da ih yeah, listen to the story,  
Di da di da, of the book of Love.
