Come back to me
Come back to me like a boom boom boomerang,
Come back to me
Spin in the air round and round.

Come back to me like a boom boom boomerang,
Spin in the air up and down.
Come back to me like a boom boom boomerang,
Spin in the air round and round.

What can I do to make you go away?
You can't, 'cause I'm gonna stay!
Whenever you leave you're always coming back.
Prepare for a love attack.

You don't know what to do,
You're lost in the wind, (in the wind)
You're flying alone, in the sky above,
Can't find love.

Come back to me like a boom boom boomerang,
Spin in the air up and down.
Come back to me like a boom boom boomerang,
Spin in the air round and round.

Why do I feel so alone when you're gone?
Because I'm the only one!
Stay with me, don't leave me anymore,
Close your eyes, count to four.

You don't know what to do,
You're lost in the wind, (in the wind)
You're flying alone, in the sky above,
Can't find love.

Come back to me like a boom boom boomerang,
Spin in the air up and down.
Come back to me like a boom boom boomerang,
Spin in the air round and round.

Come back to me like a boom boom boomerang,
Spin in the air up and down.

Come back to me like a boom boom boomerang,
Spin in the air round and round.

I must be dreaming, can't you see,
Dreaming of you and me,
I have to tell you, what it is,
Have to tell you the whole of it.
You're leaving me here,
Thinking, thinking of you and me.
Waiting to be free,
Free at last,
You have to spin in the, spin in the air.

Come back to me like a boom boom boomerang,
Spin in the air up and down.
Come back to me like a boom boom boomerang,
Spin in the air round and round.

Come back to me like a boom boom boomerang,
Spin in the air up and down.
Come back to me like a boom boom boomerang,
Spin in the air round and round.
