Bee Bop eh ih yo,
Bee bop di yeah ih yo,
Bee Bop eh ih yo,
Bee bop di yeah ih yo,
I can't wait to get ya.

I'm the sweet looking little girl,
Looking out for the partyman,
I've been searching around the world,
Searching for the Partyman.

Bee Bop eh ih yo,
Partyman in the game,
Bee bop di yeah ih yo,
Hit you like a burning flame,
Bee Bop eh ih yo,
Partyman that's my name,
Bee bop di yeah ih yo,
I can't wait to get ya.

Hey Miss Sweetheart, like your steps,
Come a little closer, kiss my lips,
Make me crazy in my mind,
Hey Miss Sweetheart you're so fine.

You're the cool looking Partyman,
I'm the sweet looking dancing girl,
I will party on your command,
I'm your little dancing girl.

Bee Bop eh ih yo,
Partyman in the game,
Bee bop di yeah ih yo,
Hit you like a burning flame,
Bee Bop eh ih yo,
Partyman that's my name,
Bee bop di yeah ih yo,

I can't wait to get ya.

No need to look around,
Nowhere to go,

No place to hide away,
Oh uh oooh uh oh.

Partyman In the game,
Hit you like a burning flame,
Partyman that's my name,
I can't wait to get ya.

Bee Bop eh ih yo,
Bee bop di yeah ih yo,
Bee Bop eh ih yo,
Bee bop di yeah ih yo.

Bee Bop eh ih yo,
Partyman in the game,
Bee bop di yeah ih yo,
Hit you like a burning flame,
Bee Bop eh ih yo,
Partyman that's my name,
Bee bop di yeah ih yo,
I can't wait to get ya.

Bee Bop eh ih yo,
