I've been dreaming all night long,
The illusion seems so strong,
The night is over and you ain't here,
It feels like you are near.

Uh uh, I don't care what you say,
Ah ah, I'm gonna tell you today,
Uh uh, is your love really true,
Ah ah, I don't know what to do.

Don't you wanna be my true love baby,
Just show me who you are,
Can't you see that I'm in love with you,
Just give me a sign.

Don't you wanna be my true love baby,
Just show me who you are,
Can't you see that I'm in love with you,
Just give me a sign.

I can't hide my tears no more,
Now I'm standing by your door,
I hope that you will let me in,

So I can be my self again.

Uh uh, I don't care what you say,
Ah ah, I'm gonna tell you today.

Don't you wanna be my true love baby,
Just show me who you are,
Can't you see that I'm in love with you,
Just give me a sign.

Don't you wanna be my true love baby,
Just show me who you are,
Can't you see that I'm in love with you,
Just give me a sign.
