When you're weary feeling small when tears are in your
eyes I will dry them all
I'm on your side oh when times get rough and friends
just can't be found
Like a bridge over troubled water I will lay me down
When you're down and out when you're on the street
When evening falls so hard I will comfort you
I'll take your part oh when darkness comes and pain is
all around
Like a bridge over troubled water I will lay me down
Sail on silver girl sail on by your time has come to shine
All your dreams are on their way
See how they shine oh if you need a friend I'm sailing
right behind
Like a bridge over troubled water I will lay me down
Like a bridge over troubled water I will lay me down
