She's in some honky tonk tonight, I know  
She's dancing where the music's loud and lights are  
low  
In a crowded bar she likes to hang around  
And as long as there's a honky tonk she'll never settle  
down

So close up the honky tonks, lock all the doors  
Don't let the one I love go there anymore  
Close up the honky tonks, throw away the key  
And maybe the one I love will come back to me

If I had the power I'd turn back time  
And live again the hours when she was all mine  
It hurts to see her running with that crowd in town  
But as long as there's a honky tonk she'll never settle  
down

So close up the honky tonks, lock all the doors  
Don't let the one I love go there anymore  
Close up the honky tonks, throw away the key  
And maybe the one I love will come back to me  
Yeah, maybe the one I love will come back to me

Close up the honky tonks, lock all the doors  
Don't let the one I love go there anymore  
Close up the honky tonks, throw away the key  
And maybe the one I love will come back to me

Close up the honky tonks, lock all the doors  
Don't let the one I love go there anymore
