Lips, make a smile on my face  
Eyes don't let her see you she'd a tear  
Heart don't let her hear you skip a beat  
And pride don't let her know how much I care  
Don't let her know  
Don't let her know how much I care

--- Instrumental ---

Laugh, dance and sing so she won't notice  
The hurt that's still burning deep inside  
And don't let her see the way I tremble  
Don't let her know how much I cry.  
Don't let her know  
Don't let her know how much I cry...
