[Wayne Wilson]

When you're holdin' me make sure that I'm the one to
hold

Don't tell me that you love me it leaves me the cold
And please don't lie to me you know how that hurt
Don't wipe the tears that you cry for him on my good
white shirt

When you're kissin' me make sure that I'm the one you
wanna kiss

Don't tell me that you miss me when it's him you really
miss

And please me and think of him nothing could be
worse

Don't wipe the tears that you cry for him on my good
white shirt

Well I dress my very best when I go out with of you
But I'd hate to think that I was just too well dressed blue
Don't love me for a little while what would that be worth
Don't wipe the tears that you cry for him on my good
white shirt

[guitar]

Well I dress my very best...

Don't wipe the tears that you cry for him on my good
white shirt
