You'll find me hangin' around  
It's there I'll be found  
Down on the corner of love  
Beneath the stars that shine  
And the neon signs  
I'll be down on the corner of love

When night starts to fall  
And love starts to call  
Down on the corner of love  
You'll find me hangin' around  
It's there I'll be found  
Down on the corner of love

When it's late in the eve'nins  
And I can't help but feelin'  
That my heart you're a steelin'  
'Neath the stars up above  
When the sun goes down  
And the moon comes 'round  
I'll be down on the corner of love

--- Instrumental ---

When you're passin' by  
Too lonesome to cry  
Down on the corner of love  
Just stop for a while  
I'll teach you to smile  
Down on the corner of love

A love that you had  
Has treated you bad  
Down on the corner of love  
Forget what you knew  
We'll start live anew  
Down on the corner of love

When it's late in the eve'nins  
And I can't help but feelin'  
That my heart you're a steelin'  
'Neath the stars up above

When the sun goes down  
And the moon comes 'round  
I'll be down on the corner of love

--- Instrumental ---

When it's late in the eve'nins  
And I can't help but feelin'  
That my heart you're a steelin'  
'Neath the stars up above  
When the sun goes down  
And the moon comes 'round  
I'll be down on the corner of love...
