Everybody loves somebody
Everybody needs somebody
And darling, this somebody
Just needs you.

A lover needs a lover's lane
A flower needs the touch of spring
A new day needs the kiss of morning dew
A snowflake needs the mountain pass
A meadow needs the green, green grass
And darling, this somebody just needs you.

Everybody loves somebody
Everybody needs somebody
And darling, this somebody
Just needs you.

(A teardrop needs a place to fall
A river needs a place to flow
A rainbow needs a sky so big and blue
A heartache needs a memory
A seashore needs a deep blue sea
And darling, this somebody just needs you.)

Everybody loves somebody
Everybody needs somebody
And darling, this somebody
Just needs you...
