That I'd stop by for you at nine
And my heart broke when you said it's all over

I'll never know what made you change your mind
I only know I've held you close and kissed you my last
time
And that's a lot of heartaches for a dime.

I'll never know what made you change your mind
I only know I've held you close and kissed you my last
time
And that's a lot of heartaches for a dime...
