They say that all good things
Come down from above
And now I believe that it's true
'Cause I asked my Maker for someone to love
And I thank him for sending me you.

I was in doubt about dreams coming true
Now that you're here I know that they do
For you brought the sunshine and love that is true
And I thank him for sending me you.

--- Instrumental ---

(Once I was so lonely and no one to love
And my heart was breaking in two
I looked up to heaven asked what will I do
And I thank him for sending me you.)

I was in doubt about dreams coming true
Now that you're here I know that they do
For you brought the sunshine and love that is true
And I thank him for sending me you.

Yes, I thank him for sending me you...
