Buck Owens
"I Would Do Anything For You"

If I were a bird I would sing for you
If I were a bell I would ring for you
If I were a tear I would cry for you
For I would do anything for you.

If I were a kite I would fly for you
If I were a ship I would sail for you
If I were a heart I would beat for you
For I would do anything for you.

--- Instrumental ---

If I were the day I would dawn for you
If I were the sun I would shine for you
If I were a rose I would bloom for you
For I would do anything for you.

If I were a joke I would laugh for you
If I were a ball I would bounce for you
If I were a clown I would dance for you
For I would do anything for you.

If I were a clown I would dance for you
For I would do anything for you...
