If you'll hold me close and kiss me  
Promise that you'll always miss me  
Say you'll never never, never be untrue  
If you swear you'll always love me  
And you'll place no one above me  
Well, then I'll give my heart to you.

If I'm number one in your heart  
If you're sure that we'll never part  
If you're ready now to make my dreams come true  
Well, then I'll give my heart to you.

If you'll hold me close and kiss me  
Promise that you'll always miss me  
Say you'll never never, never be untrue  
If you swear you'll always love me  
And you'll place no one above me  
Well, then I'll give my heart to you.

--- Instrumental ---

Well, if you're all through painting the town  
If you're ready now to settle down  
If you're sure I'm the only one for you  
Well then, I'll give my heart to you.

If you'll hold me close and kiss me  
Promise that you'll always miss me  
Say you'll never never, never be untrue  
If you swear you'll always love me  
And you'll place no one above me  
Well, then I'll give my heart to you...
