I'll go to church again with momma someday in the  
sweet by and by  
I'll go to church again with momma up there in the  
chapel in the skies

You know when I was just a little boy my momma used  
to take me to church  
And we'd read the Bible together  
And we'd sing those wonderful old hymns that just  
seemed to warm your heart all over  
Yes I know those were the happiest days I've ever spent  
When I went to church with momma  
I'll go to church again with momma up there in the  
chapel in the skies

Now momma's gone to heaven to meet Jesus there  
And I know she's happy there Lord  
And I know someday I'll meet her up there and we'll  
sing and praise the Lord  
When I get to church again in heaven with momma  
I'll go to church again...
