(Happiness is something that we all need plenty of
Starts from deep inside your heart, when you've
Someone to love, So if you're not as happy as you
Feel you ought to be, find someone in this world
To love and have a happy heart like me.)

I've got a happy heart feel like I could almost fly
I think if someone shot me that I wouldn't even die
Just find someone to live for and to love and then you'll
see
Why I've got this happy heart inside of me.

--- Instrumental ---

A smile is so becoming, yet how many times it's true
A person wears a frown 'cause it's a habit to be blue
Sometimes it takes convincin' that life can't be all that
bad
Just take a look around you and you won't feel quite so
sad.

I've got a happy heart feel like I could almost fly
I think if someone shot me that I wouldn't even die
Just find someone to live for and to love and then you'll
see
Why I've got this happy heart inside of me.
