Whenever I chance to meet
Some old friends on the street
They wonder how does a man
Get to be this way.

I've always got a smiling face
Anytime and any place
And everytime they ask me why
I just smile and say.

You've got to
Kiss an angel good morning
And let you know you think about her
When you're gone
Kiss an angel good morning
And love her like the devil
When you get back home.

Well people may try to guess
The secret of a happiness
But some of them never learn
That it's a simple thing.

The secret I'm speaking of
Is a woman and a man in love
And the answer is in this song
That I always sing.

You've got to
Kiss an angel good morning
And let you know you think about her
When you're gone
Kiss an angel good morning
And love her like the devil
When you get back home...
