Buck Owens & Dottie West & Cowboy Copas

So long we've been married, last burden we've carried  
Though fate kept us humble and made our love true  
But plans that we'd make up someone seems to break  
up  
Oh darling, what else can we do.

We may have to leave here to find piece of mind, dear  
Some place where we can live a life of our own  
Oh, I know you love me and happy we could be  
If some folks would leave us alone.

--- Instrumental ---

When I go out walking there's lots of loose talking  
They say we're unhappy and we'll break apart  
But darling, it's not true because I still love you  
And I do it all with my heart.

We may have to leave here to find piece of mind, dear  
Some place where we can live a life of our own  
Oh, I know you love me and happy we could be  
If some folks would leave us alone.

--- Instrumental ---

They say you are leaving that you are deceiving  
But you tell me they say the same about me  
But we'll show them there on that loose talk and do  
harm  
And hope that's the truth they will see.

We may have to leave here to find piece of mind, dear  
Some place where we can live a life of our own  
Oh, I know you love me and happy we could be  
If some folks would leave us alone...
